

Ball Hockey UK

Photography/Video Consent Form

In accordance with our child protection policy, we will not permit photographs or videos of young people to be taken without consent. If the child is under 13, consent must be obtained from a parent/carer. If the child is over 13, Ball Hockey UK will inform parents that photographs and/or videos of their child may be used if the child has given consent. BHUK will take all steps to ensure these images are used solely for the purposes for which they are intended. If you become aware that these images are being used inappropriately, please inform us immediately. If this form is not completed an assumption is made that consent is not given.
